### Notes

**Communications:** Sometimes due to weather it is desirable to change the start time or even location. As a rider if it looks iffy, let the leader know you plan to ride. This is particularly useful if you do not usually ride with that leader. Then the leader will be able to get changes to the riders.

**Planning Rides that are not local:** Bruce Truong and John Neller are consider in rides in warmer weather. Bruce would lead a ride in May staying in Anacortes the night before and then going to Lopez for the day. John Neller is thinking about leading a day ride in Olympia and multi-day rides in Oregon later this year. Members are encouraged to indicate interest if they want to participate.
